Past Event Report

About Past Event:

Scientex Conferences successfully hosted its first series on the “**International Conference on Neuroscience and Neurology**” at the City Seasons Dubai Hotel, 2 27th St., Port Saeed, Dubai, United Arab Emirates, during May 25–26, 2023. The conference was organised with the theme “Preliminary Research Colloquium of Neuroscience and Neurology of Future Advancement” and it was a great success, where eminent keynote speakers from various universities addressed the gathering.

The hybrid event Neuroscience Congress 2023 were carried out through keynote presentations, oral presentations, poster presentations, Young research Forum, and video presentations. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference. The Neuroscience Congress 2023 Organising Committee would like to thank everyone who attended the conference for making the sessions such a worthwhile experience. Also, we would like to thank the moderator of the conference, Dr. Aasheesh Mehan, Police Hospital Hoshiarpur, India, who contributed a lot to the smooth functioning of this event. A series of lecturers discussed about the recent trend, innovation & treatment of neuroscience and neurology during the conference with all the attendees.
